

# Thank You for Being My Client

Since I work by referral, your business and referrals are essential to my continued success. Remember I'm always here to serve you, whether you have questions about your home's current value, or need a referral to a reputable roofer.

## Get the scoop on the local market.

What's going on in our market? Is now a good time to buy or sell? How much is your home worth? I can help with these questions and more. Since I keep my finger on the pulse of the local market, I can answer all of your questions and give you a market analysis of your property.

## Have all of your real estate questions answered.

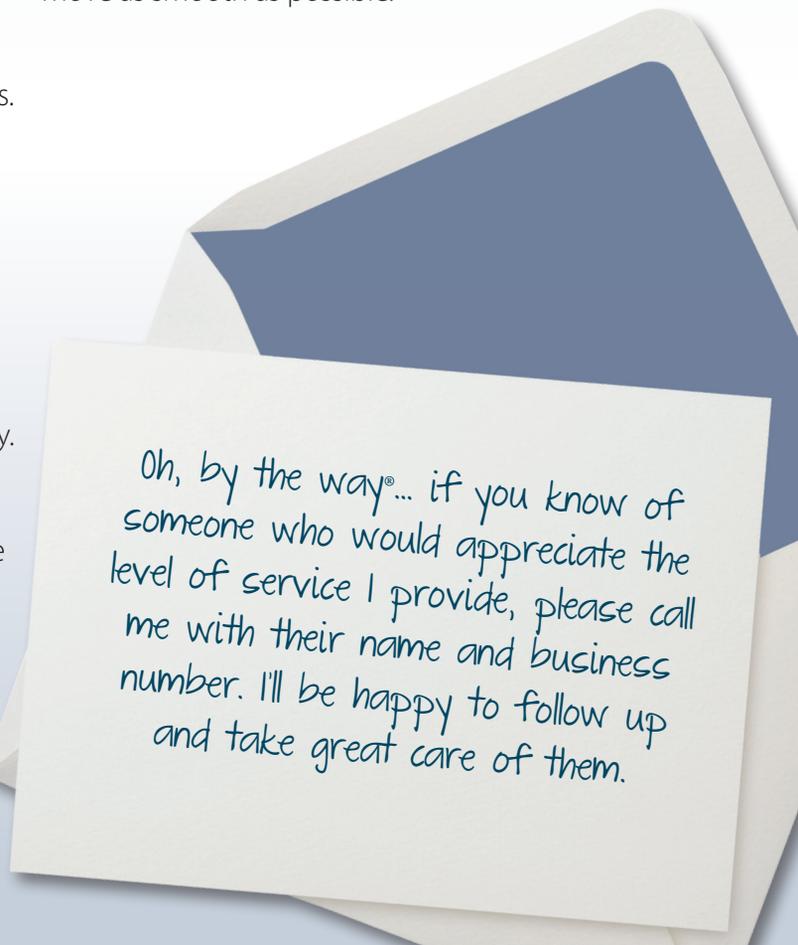

Whether it's your first time buying or selling a home, or you haven't bought or sold in several years, I can walk you through the process and set proper expectations. Whenever you have a question or concern, be sure to contact me for honest and transparent answers and advice. The more you know about the process, the more confident you'll be.

## Need the name of a reliable local professional?

My profession puts me in contact with great professional trade and service people throughout our local community. Whether you need the name of a home maintenance professional, such as a plumber or electrician, or you'd like the name of a reputable dry cleaner, give me a call. I'd love to connect you with a professional who will provide you with the high-quality service you deserve.

## Thinking of moving out of the area?

If you decide to move, I'll be sad to see you go; however, I can still help by connecting you with a real estate professional in your desired area who will offer the same great service you've come to expect. I'm part of a network of real estate professionals who also work by referral. They will go above and beyond to provide you with high-level service and aid in making your move as smooth as possible.

Oh, by the way... if you know of someone who would appreciate the level of service I provide, please call me with their name and business number. I'll be happy to follow up and take great care of them.
